# WHY DID IT HAPPEN

- Genuine Sweeties are primarily exported to Japan and South Korea
- Which explains the prestige of the fruit in the eyes of the CHINESE exporters and the temptation to FAKE it (AS USUAL!!)
- WHAT IS WRONG WITH CHINA

# WHY ALL THE FUSS

- So what's wrong?
- Iran & Israel are enemy states
- All along, Iranians enjoyed their Jaffa Sweeties thinking that it was from CHINA
- But as it turns out, it's actually from Israel
- And by law, the two countries don't trade!

# HOW IT RELATES

- Jewish people were prosecuted during World War II
- As always, the bad things always happen to Jewish people
- Many Alliances (like the ones in WWII) create a more fun trading between countries
- In the contrary, some countries forbid trading with one another by law
